NOTICE OF GOVERNMENT CODE SECTION 18671.1 RESOLUTION

Since Government Code section 18671.1 requires that cases pending before State Personnel Board Administrative Law Judges (ALJ's) be completed within six months or no later than 90 days after submission of a case, whichever is first, absent the publication of substantial reasons for needing an additional 45 days, the Board hereby publishes its substantial reasons for the need for the 45-day extension for some of the cases now pending before it for decision.

An additional 45 days may be required in cases that require multiple days of hearings, that have been delayed by unusual circumstances, or that involve any delay generated by either party (including, but not limited to, submission of written briefs, requests for settlement conferences, continuances, discovery disputes, pre-hearing motions). In such cases, six months may be inadequate for the ALJ to hear the entire case, prepare a proposed decision containing the detailed factual and legal analysis required by law, and for the State Personnel Board to review the decision and adopt, modify or reject the proposed decision within the time limitations of the statute.

Therefore, at its next meeting, the Board will issue the attached resolution extending the time limitation by 45 days for all cases that meet the above criteria, and that have been before the Board for less than six months as of the date of the Board meeting.

GOVERNMENT CODE SECTION 18671.1 RESOLUTION

WHEREAS, Section 18671.1 provides that, absent waiver by the appellant, the time period in which the Board must render its decision on a petition pending before it shall not exceed six months from the date the petition was filed or 90 days from the date of submission; and

WHEREAS, Section 18671.1 also provides for an extension of the time limitations by 45 additional days if the Board publishes substantial reasons for the need for the extension in its calendar prior to the conclusion of the six-month period; and

WHEREAS, the Agenda for the instant Board meeting included an item titled "Notice of Government Code section 18671.1 Resolution" which sets forth substantial reasons for utilizing that 45-day extension to extend the time to decide particular cases pending before the Board;

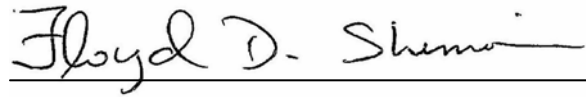

WHEREAS, there are currently pending before the Board cases that have required multiple days of hearing and/or that have been delayed by unusual circumstances or by acts or omissions of the parties themselves;

NOW, THEREFORE, BE IT RESOLVED AND ORDERED that the time limitations set forth in Government Code section 18671.1 are hereby extended an additional 45 days for all cases that have required multiple days of hearing or that have been delayed by acts or omissions of the parties or by unusual circumstances and that have been pending before the Board for less than six months as of the date this resolution is adopted.

I hereby certify that the State Personnel Board made and adopted the preceding resolution at its meeting held on August 8, 2006.
